Press Release

Keel laying ceremony for Construction of four vessel for [Mongla Port Authority (MPA)]
at Radiant Shipyard Ltd.

Keel laying ceremony of 01 self-propelled barge, 01 Tug, 01 Pontoon and 01 Dump Barge will be constructed for Mongla Port Authority under the project ‘‘Establishment of Modern Waste and Spilled oil Management at Mongla Port.’’ held at Radiant shipyard Ltd, Daudpur, Rupgonj, Narayangonj on today (Wednesday), 22nd June , 2022.

In the keel laying ceremony, Chairman of MPA Rear Admiral Mohammad Musa, Managing Director of RSL AKM Alauddin and senior officials of both organizations were present.

This Project is a significant step taken by the present government to protect Mongla Port and its river and the biodiversity of the word heritage Sundarbans from the oil and waste contamination by foreign ships arriving at Mongla Port and by the small and large vessels playing in and around the ‘‘Poshur channel’’ and rivers.

Radiant is determined to so far work all its potential.
